Counsel for the General Counsel  
NLRB, Region 32

Dear Ms. Ventola:

This will acknowledge receipt of your April 14, 2010 Reply to Employer's Response to Order Referring Petitions to Revoke Investigative Subpoena.

In this matter, Respondent filed a Petition to Revoke Subpoena, counsel for the General Counsel filed an Opposition to the Petition to Revoke and the Respondent filed a response to your opposition. In *Faurecia Automotive Seating*, 353 NLRB No. 5, fn. 1 (2008), the Board indicated that it would allow responses to oppositions to petitions to revoke, but would not allow further responses or surreplies. Your April 14 Reply to the Employer's Response is essentially a surreply. Accordingly, it is rejected and will not be forwarded to the Board for consideration.

Very truly yours,
